8 ROBERT GILMORE, et al.,

No. C 66-45878 SI

9 Plaintiffs,

**ORDER RE: MOTION FOR CONTEMPT  
FINDING**

10 v.

11 STATE OF CALIFORNIA,

12 Defendant.  
13 \_\_\_\_\_/

14 Prisoner Robert Tunstall has filed a “Motion for Alleged Contempt for Refusal to Obey  
15 Conditions of Negotiated Settlement” [Docket No. 230]. Tunstall complains that he has been denied  
16 maximum access to the prison law library and asks this Court to order defendant to allow him to access  
17 the law library at least eight hours per week. The Court previously directed all *Gilmore*-related  
18 grievances and motions put forth by pro se inmates be resolved informally between class counsel and  
19 defense counsel, without Court intervention, unless counsel reach an unresolvable conflict. The Court  
20 therefore asks that plaintiff consult with class counsel Donald Specter to determine the appropriate  
21 course of action.

23 **IT IS SO ORDERED.**
